February 28, 2020

To the Hanover Area School District Community:

The health and safety of our students and staff is always top priority for the Hanover Area School District. As you may be aware, the Center for Disease Control and Prevention (CDC) is monitoring the spread of the Coronavirus Disease (COVID-19). At this time, there are no cases of the virus connected with our District or in the Commonwealth of Pennsylvania, but the CDC and the Pennsylvania Department of Health (DOH) have issued a number of informational pieces to the public. In addition to the preventative measures listed below, please see the informational pieces attached on our District website.

The Hanover Area School District has implemented the following preventative measures:

- Encouraging student hand washing or use of hand sanitizers.
- Encouraging students to avoid touching eyes, nose, and mouth with unwashed hands.
- Encouraging students to avoid sharing items such as drink, unpackaged food and eating utensils.
- Encouraging parents to keep children home from school if they are exhibiting any symptoms of the Coronavirus and immediately contacting physician.
- Cleaning frequently touched objects and surfaces (desks, door knobs and cafeteria tables).
- Evaluating new student entries (Students entering or who have traveled outside the U.S).

District staff will be briefed on what symptoms to look for and will remain vigilant in helping to identify any student exhibiting these symptoms. Upon school nurse evaluation, contact will be made with parents or guardians if physician follow-up should be recommended.

Thank you for your cooperation in keeping our community healthy.

Sincerely,

Nathan Barrett
Superintendent

HANOVER AREA SCHOOL DISTRICT is an equal opportunity educational institution and will not discriminate on the basis of race, color, national origin, sex, and handicap in its activities, programs, or employment practices as required by Title VI, Title IX, Section 504, and the American with Disabilities Act.
