March 18, 2020

Dear Parents/Guardians:

Due to governmental shutdown of all PA school districts, Hanover Area has put the following steps in place to guarantee the continuation of education for our students. It is imperative for you to complete the Computer Technology Survey that was sent via Remind App, if you have not already done so. You can also find a link on our district website. If you are unable to complete this survey online, please contact Ms. Shannon Bennett at 570-855-5149.

1. Information regarding the start of online learning will be broadcast via Alert Now and Remind App.
2. Students will continue academic work by accessing their assignments on Google Classroom.
 - a. Students have already received their login information for Google Classroom. Instructions to login and access assignments will be posted on our district website.
 - b. Arrangements will be made for students that do not have access to appropriate technology.
 - c. Parents of students with IEP's will be contacted by case managers.
3. The district will follow all requirements of the Pennsylvania Department of Education to complete the required hours/days of school, and/or submit proper paperwork to detail the continuum of education offered during quarantine days.

The District will continue to correspond with all parents/guardians as further developments occur regarding the Coronavirus. Please visit our webpage for additional resources and materials on the Coronavirus at www.hanoverarea.net.

Respectfully,

Nathan Barrett
Superintendent
