

May 2014

Dear Parent/Guardian:

I am pleased to announce the book selections for the 2014 Summer Reading Program for my 11th grade students.

Honors English Literature - *Great Expectations*
by Charles Dickens

English Literature - *Moby-Dick*
by Herman Melville

Each student will complete a writing assignment on their book selection and submit it to me when they return to school in September. Instructions for the writing assignment are attached! In addition, a test will be given on the novel the second week of school. Please encourage your son or daughter to read the assigned book. This will ensure success as they begin a challenging and exciting junior year! Best wishes for a relaxing and enjoyable summer!

"Books are the treasured wealth of the world and the fit inheritance of generations and nations."
